

# Cascade Lily

Cascade Lily is a pattern designed by and used with permission from Polly Minick and Laurie Simpson. Polly and Laurie are sisters and named their pattern Coastal Lily but the Mountain Stars Quilters Guild renamed their quilt to make it fit our beautiful Cascade Mountain range. The quilt is a "Show Stopper" just like Mt. McLoughlin just south of Crater Lake. It is the tallest peak in the Cascade Mountains between Mt. Thielsen in the north and Mt. Shasta in the south.

Cascade Lily is 97" X 100" - Thank you to Cottage Quilts~Medford, OR for donating fabric . The blocks were made by members of the Mountain Stars Quilters Guild. The quilt was made by Cathy Lang , machine quilted and binding by Carol Bryant. The label by Susann Tresner. Quilt mother is Elizabeth Luebberke. Elizabeth will be selling tickets so you may have the opportunity to win this beautiful quilt! She would like guild members to step up to help sell tickets at guild and venues. This Opportunity Quilt is a fund raiser for our guild. . Elizabeth's contact info is in our membership book.
