MOUNTAIN STARS QUILTERS GUILD

Everyone is welcome.

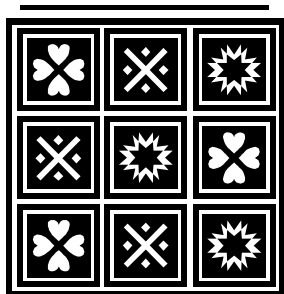

**SERVING SOUTHERN OREGON
AND NORTHERN CALIFORNIA**

Founded in 1983

Activities

Mountain Stars Quilters Guild is the large regional Guild that hosts nationally known speakers to lecture and conduct workshops for the benefit of our members and the general public. Many of our members also be-

long to one of the smaller, more localized quilting groups in Southern Oregon and Northern California. We offer several retreat-style work-

shops every year at Diamond Lake Resort.

We share information about other groups, quilt shows, and quilt-related activities through an electronic mailing list, a newsletter published prior to each meeting, and on our website. Mountain Stars sponsors a biennial regional quilt show featuring an Opportunity Quilt, Challenge Quilt, Silent Auction, demonstrations and a fabulous vendor mall. Check our website at www.msquilters.com to find out information about the next scheduled quilt show.

Business Meeting Dates

Business meetings are held on the second Saturday of odd numbered months (Jan, Mar, May, Sep & Nov). In July our meeting is on the third Saturday. Rare but unavoidable changes to these dates are announced on our electronic mailing list, on our website, and, if possible, in our newsletter.

Business Meeting Times

Our meetings begin with a time for fellowship starting at 10:00 AM. Members are

welcome to bring their own hand projects to work on, or browse through our extensive library, perhaps checking out a book or two. The business portion of our meeting, including a featured speaker, begins at 12:00 Noon. A highlight of the day is "Show and Tell" featuring quilts made by our guild members.

Business Meeting Location:

Live Oak Grange
120 Gardiner St.
Rogue River, Oregon

Board Meetings

Mountain Stars Quilters Guild has an elected board that conducts the business of the guild. The guild relies on members to serve on the board in order to make relevant decisions for all of its members. We encourage everyone, even our newest members, to consider taking a leadership role to strengthen our organization.

The board meets in the even numbered months (Feb, Apr, Jun, Aug, Oct, & Dec). The date, time and location are determined by the board. All guild members are invited and encouraged to attend. Check our website below for details of the meeting.
