

## Stack 'N' Whack ~ Class by Sam Beene

"My grandma taught me to sew at age 8. I have been sewing and like learning a lot about a variety of things concerning sewing and life.

I got into Stack N Whack about 20 years ago and have a lot of fun doing different things with the pattern. I like to share my knowledge of sewing with other people."

Sam has been a member of Mountain Stars Quilters Guild for about 10 years. She is also a member of Material Girls. Sam is always sewing and has a sewing machine close to her 24/7. She will share her vast knowledge with anyone that asks a question of her.

The Stack 'N' Whack class will begin with the very basics. Then she will show how you can change the blocks and let your imagination run free.
