

# Barn Quilt Painting 5/1/26 or 5/2/26 ~ Class by Sheila Sinclair Snyder

Sheila is well known throughout the PNW quilting world as a designer, author and teacher. She has specialized over the years in teaching one-day projects that allow each student to take home a finished piece. Recently Sheila has been focused on Barn Quilt Painting. She continues to design and make quilts, and just released her fourth book, this one is called The Barn Quilt Manual. When not quilting you will find her teaching, cooking, gardening and spending time with the family which includes her husband, two grown children and their spouses, and two amazing grandchildren. Sheila says there isn't enough time in a day to accomplish all the things on her list!

Have you ever taken a drive and noticed a beautiful painted Quilt Block on the front of a home or the side of an old barn? Join Sheila for a day of painting your very own 2ft x 2ft Barn Quilt. She will have 50-60 block patterns for you to choose from. Your finished Barn Quilt will be waterproof and weatherproof! Full instructions on how to enlarge a quilt block to size, how to tape, paint and finish your personalized Barn Quilt will be included.

There is a **REQUIRED KIT** for this class. It includes the board, all the various paint colors and general supplies that are needed to create a Barn Quilt. Protective disposable aprons will also be provided! Payment for the Kit is due on the day of class and will be paid directly to Sheila. **She accepts cash, checks, debit/credit cards and Venmo for the Kits.**
