

Kathy Miners ~ Metro Hoops Curved Quilt Fri. 3/12/27

A note from Kathy:

I love this contemporary wedding ring quilt pattern! This quilt starts with strip sets that are straight pieced which makes the entire process quicker and easier than traditional wedding ring patterns which use templates. In class you'll learn how to sew curved pieces that are cut using the Quick Curve ruler and end up with this beautiful wedding ring style quilt. This pattern allows you to square up all of your curve blocks before piecing, allowing for an easy and accurate assembly. And if you're like me, you might just have a 2 1/2" jellyroll sitting in your sewing room unused. Once you master the quick curve cutting method, you can make any of their beautifully curved quilt designs. I hope you can join us.

Kathy is a very active member of our Guild! She is a former Quilt Shop Owner and has been teaching classes for longer than she wants to admit!

Friday, March
12th, 2027

9am to 3:45pm

45 min lunch

\$35.00 MSQG
Member price!
