

July 2018 Applique Block

Submitted by Robyn Skinner 541-899-6841

Cherries

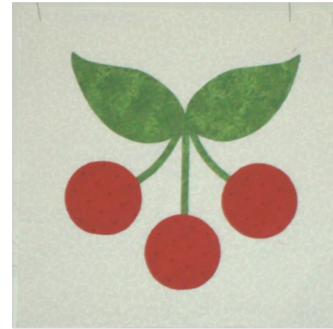

9 1/2" white on white background

3 each 2 1/4" circles

1/4" bias green for stems

2 each green leaves

To be turned in at the September Guild Meeting

July 2018 Pieced Block

Submitted by Sandi Williamson 541-479-9511

Bird Feeder

This block uses 2 1/2" strips of complimentary fabrics and a white or white-on-white fabric for the background. The block should be 10 1/2" square when finished. These directions will make 2 blocks.

Background fabric - Cut 4 each 2 1/2" X 6 1/2" rectangles
Cut 8 each 2 1/2" X 2 1/2" squares

Center complimentary fabrics (one solid and one print) -
Cut 3 each 2 1/2" X 7" rectangles of each fabric

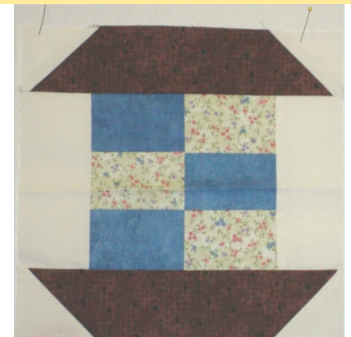

Top/Bottom of Bird Feeder (Complimentary Print) -
Cut 4 each 2 1/2" X 10 1/2" rectangles

Take the 6 each 2 1/2" X 7" rectangles and alternate the strips as shown. Sew them together to make 2 units. Press the seam allowance to the darker fabric. Cut each unit into 2 each 3 1/2" wide segments. Sew the matching segments together to make 2 middle sections of the bird feeder.

Sew 2 each 2 1/2" X 6 1/2" rectangles to opposite side of the units. Press towards the block unit.

Draw a diagonal line from corner to corner on the 2 1/2" white squares. Place the squares on each end of the 2 1/2" X 10 1/2" rectangles right side together and sew on the line. Trim to 1/4" outside the seam line and press the seam allowances toward the darker fabric. Assemble the block as shown.

To be turned in at the September Guild Meeting
