

March 2018 Applique Block

"Patchwork Puppy"

Use cotton fabric and pattern choice throughout.

From background fabric cut a 10 inch square. Place pattern pieces on background centering as marked and either hand or machine applique the pieces onto the background.

To finish quilt trim block to 9½" x 11½": sash and post blocks as desired to make a cute puppy quilt or wall-hanging.

To be turned in at the May Guild meeting.

March 2018 Pieced Block

"Butterfly Waltz"

From the Big Book of Nickel Quilts by Pat Speth with Charlene Thode

Fabric Needed: 3 ea 5" pastel print squares
3 ea 5" white background squares
2 ea 2¼" X 11" Strips pastel green

Draw a diagonal line on the wrong side of each of the 5" background squares. Place one background square and one pastel print square right sides together. Stitch a scant ¼" seam on both sides of the diagonal line. Cut along the diagonal line to yield two half-square triangles. Press one square towards the pastel print and one towards the background. Trim the square to a 4½" square.

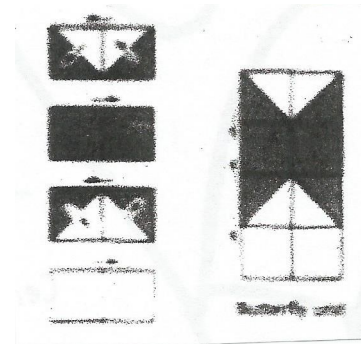

Cut the unit in half. You should have 2 ea 2¼" by 4½" pieces. Then cut each of these pieces in half to have 4 ea 2¼" squares. You should have two half square triangles and one each of the background and the pastel print.

Assemble the blocks as shown and sew together. Press as shown.

To make each block, sew three units from above, inverting the center unit. Press the seam allowances toward the center butterfly.

Stitch a sashing strip to the long edges of each block. Press the seam allowances toward the sashing units.

To be turned in at the May Guild meeting.

March 2018 Quilts of Valor Block

Submitted by Janice DeChant

Shinning Eagle

by Konda Luckau
Moose on the Porch Quilts
~ moosequilts.com

Fabric requirements:

White on White:

- 1 square [A] 7 1/4" X 7 1/4"
- 4 squares [C] 3 1/2" X 3 1/2"
- 1 square [D] 6 1/2" X 6 1/2"

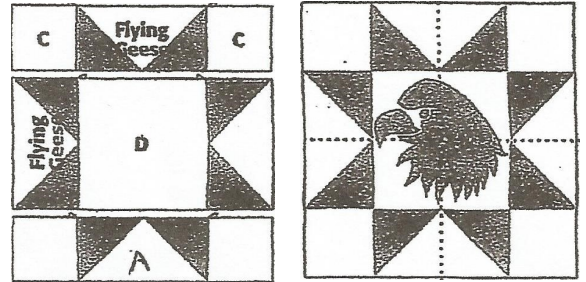

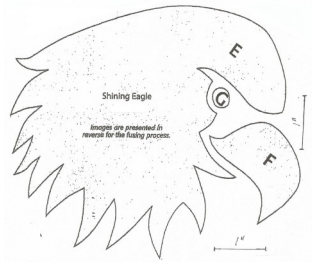

Red tone on tone or Blue tone on tone:

- 4 squares [B] 3 7/8" X 3 7/8"

Black:

- 1 each patterns E, F, & G

To be turned in at the May Guild meeting.

Use the white A and red or blue B's to make 4 flying geese.

Join the Flying Geese with the C's and D as shown to make the block.

Prepare E-G for fusible applique. Fold the block in half both ways and lightly crease. Using the Creases and applique placement diagram as guides, arrange and fuse the patches on the block as shown. Stitch the applique patches in place.

For those willing to do so, would you please make two blocks ~ one with red geese and one with blue geese. Thanks.
