

## Appliqué Block for the May meeting (bring to the July meeting).

- 1) Cut a 10½" square of light blue solid fabric for background or, if doing needle turn, cut at 11" and trim to 10½" after completing.
- 2) The trailer body is to be made of two colors (one for the upper section and a one for the lower section).
- 3) The door, trailer wing and the inner circle of the tire to be a matching solid color.
- 4) The window should be a light solid color or black and the outer part of the tire should be a dark solid color.
- 5) Embellishments are encouraged!
