

Lucky Elephant Appliqué Block

Presented at the January 13th meeting
(bring completed blocks to the March 9th meeting)

1. Cut a 10½" square of white, light beige, or tan fabric for background or, if doing needle turn, cut a 11" square and trim to 10½" after completing.
2. Elephant body can be any medium to dark fabric. *Note: you can use solids, tone-on-tone, paisley, floral, or any print – as long as it contrasts with the background fabric.*
3. Embellish, embellish, embellish! Give your elephant a happy look, decorate with flowers, add embroidery stitches, or personalize any way you'd like.
