

Machine Embroidery Group (MEG)

August 26, 2023 Meeting

At the Scottish Rite Center, 3581 Lear Way, Medford, (right behind Hobby Lobby)

Doors open at 9:00 am and close around 4:00 pm

The Monthly Project will begin around 10:00 am

In August, we will be embroidering/appliquing t shirts. You've seen these shirts with cute design on them for every member of the family. It basically started with company names and/or logos. Now, if you can imagine it, we can put it on a t-shirt. Again all participants will be bringing their own design.

If you'd like to try out these skills, DON'T BE AFRAID! We'll be here to help you with each step. From figuring what design to choose, how to get it off the computer and on to a "thumb-drive", setting up your machine (including what thread to buy) and what stabilizer to put in your hoop! YOU CAN DO THIS! Registration forms below.

Of course you don't have to do the projects, bring whatever you want to do or just come to watch! Come for the whole day or just part of the day! Mail your registration form to Karen, or bring your form to the meeting! Can't wait to see you!
