

The Mountain Stars general meeting was called to order on June 9, 1984, by outgoing president Dora Scheidecker. The new officers were introduced. Mildred Stephens will be unable to serve as new Treasurer. It was moved and seconded that Rachel Razzolini be appointed new Treasurer.

The meeting was then turned over to new President Joyce Coulter, who read her greeting to all, outlining the goals and responsibilities of Mt. Stars members.

The general meeting minutes from the March meeting were approved as corrected. The proposed change in the By-Laws (that the Treasurer maintain the membership list instead of the Secretary) was moved, seconded, and passed. New member Julie Waller was appointed historian, to replace Mabel Runnion, who is unable to serve. The treasurer's report was approved as read.

Thanks were offered to Claudia and Blaine Rosskelly for the printing they are doing for the group.

Pat Hatfield suggested Margaret Hunsaker be this year's program chairman. Members approved. Members were then asked to submit ideas for speakers to Margaret. It was also suggested that there are members who could also give workshops for the group.

Gerry Lewis expressed the appreciation of the group to Joyce Coulter for her work in obtaining the workshops already presented. Margaret Hunsaker announced that her students' quilts will be presented in a show at Hands-All-Around Quilt Shop (Ashland) beginning July 9. Gerry Lewis announced that Dorothy Herberg will have a one-woman quilt show at the shop beginning August 14 for two weeks.

There was discussion about the interest of the group in having quilt shows from out of the area sponsored by Mt. Stars. It has also been suggested that non-members pay slightly more for future workshops than members. No decision was made.

The next meeting (September) will be in Jacksonville. At the close of the meeting some examples from the Pasquini workshop were shown.

Respectfully submitted,

Dorothy Herberg, Secretary
