

MINUTES OF THE MOUNTAIN STARS QUILTING GUILD 6/9/90

The meeting was opened by President Dora Scheidecker and guests were introduced.

Treasurer's Report: The opening balance was \$ ^{2174.13} deposits \$308, less expenses of \$ ^{520.00}, leaving a balance of \$1982.13.

Program Chair Report: Anita Ledwidge thanked members for all their help in making the May show a success. Attendance was 1/2 the previous year's. One of the reasons might be the restrictions of placement of signs by Jacksonville.

The Museum Show in Grants Pass will be 8/14-9/8, with quilts due in by August 1. They would like to have hostesses and demonstrations. There will be challenge quilts, best of show quilts and miniature quilts.

There will be a small display of miniature quilts at the Grants Pass library. They would like a full display throughout the library but the guild would have to pay for the rods to display the quilts.
