

# Collage Class by Robin Reilly

Robin Reilly started her career by taking fashion design classes in college. After raising 2 daughters, Robin got involved in quilting. Soon Robin had her own Long Arm business which quickly expanded into online ETSY fabric sales at [HappyValleyMercantile](http://HappyValleyMercantile). Robin became fascinated with the Laura Heine collage quilting technique and completed several classes. Eventually Robin took the Laura Heine Collage Instructor certification class and is now a certified instructor. Class samples below.
